Sub: **Construction, operation & maintenance of Highway Nest (Mini) at toll plazas along National Highways across the country - Reg.**

Sir,

It has been decided that NHA shall develop facility of Highway Nest (Mini) on up/down side of the toll plaza at a distance of 200-250 m ahead of the fee axis so as to facilitate the road users.

2. The Highway Nest (Mini) shall have the following essential facilities :

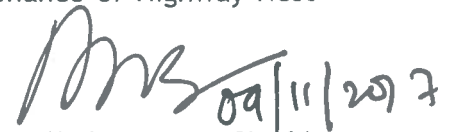

- (i) Toilets for ladies & gents and physically challenged persons.
- (ii) Kiosks for sale of packaged food items such as - chips/biscuits/cookies/water bottles/soft drinks and tea & coffee vending machines.
- (iii) Water ATM for drinking water.
- (iv) The area marked in the layout should be appx. 10m x 20m with paved tiles/brick tiles for parking of the vehicles etc.

(A) Construction

- (i). The tentative layout of toilets, portable container kiosk and water ATM along with elevation, isometric view of the facilities are enclosed as **Annex-1 to 5**.
- (ii). The structure for Highway Nest (Mini) should be preferably made with prefabricated structure under Change of Scope to the existing concessionaire/contractor.
- (iii). The execution/construction of Highway Nest (Mini) should start immediately and be completed within 6 weeks period i.e. by 20.12.2017 without fail.

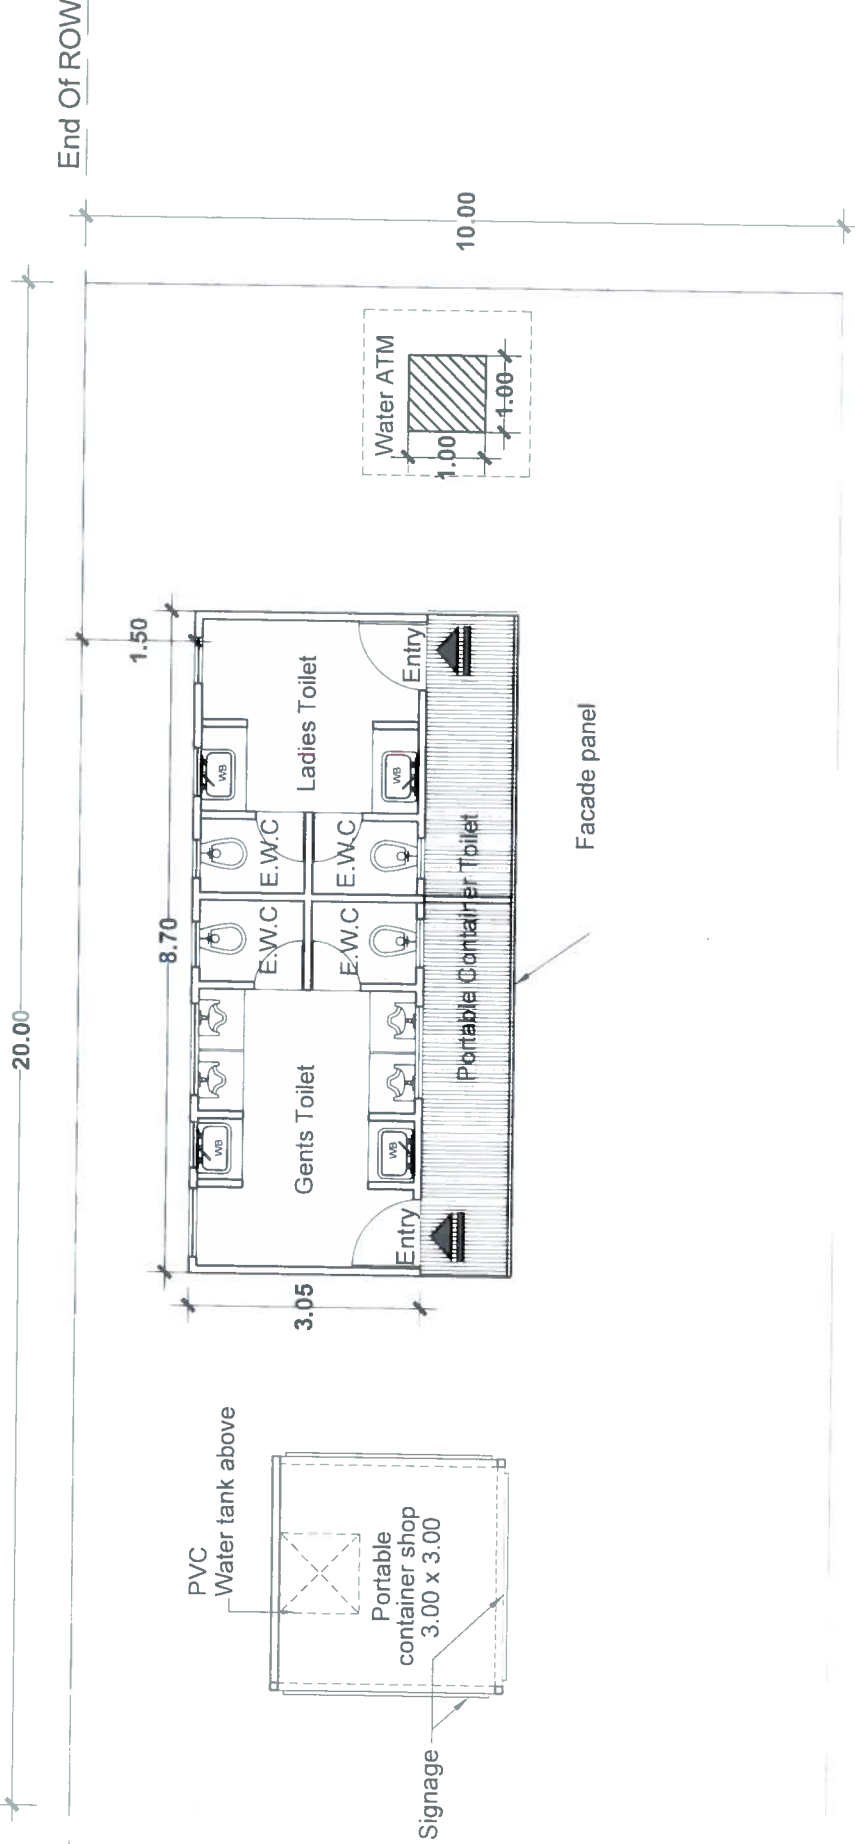

(B) Operation & Maintenance

- (i). RO should invite bids by clubbing number of toll plazas under their jurisdiction for operation & maintenance of Highway Nest (Mini) facility. The bids should be invited and received in such a way that agency is on board for operation & maintenance of Highway Nest (Mini) with the effect from 21.12.2017 at the respective toll plazas.
